Dear esteemed PNASD Member,

How are you? Hope everything is going well with you despite the world crisis: the detestable pandemic and global violent disastrous typhoons we're facing in. Most people abhor these world happenings but we have to be strong and vigilant as always.

Natural disaster afflicted the Philippines with severe devastation on its reforestation, granaries and habitats. Four typhoons hovered the country since 17 Oct 2020 with Vamco (Ulysses) being the worst in Luzon that led to the displacement of many families and about 69 deaths.

PNASD's Committee on Emergency Preparedness on Disaster and Pandemic Funding is supportive and diligent in collaboration with reliable organizations to give assistance to people in dire need of financial, clothing and food assistance. Your monetary contribution will be a great way of showing our concern and benevolence. Please visit our website: PNASD.org and click on "DONATE".

For further inquiries, send message to: contact@pnasd.org

May God be with us all and continue to thrive, inspired to do good things for the good of our fellowmen.

Sincerely,

Crisabel Ramos, RN, BSHCM, CMCN
President 2020-2022
